KNIGHTS OF COLUMBUS

“BE MEN OF ACTION”

Message from State Deputy

My Brothers All,

We have started off the year slowly with our membership recruitment efforts. What difficulties are you finding? Reach out to our State Officers and Chairmen and maybe they can help with a resolution.

Now that summer is nearly over and school is starting up - let's double our efforts and get back on track! How are your programs going? Did you "shut down" for the summer? We should provide worthwhile programs year around.

New incentives Status!

July & August

- Entered into drawing:
 - ◊ Districts - 7 District Deputies entered for July! Only 4 entered for August.....
 - ◊ Councils - 22 Councils entered for July! 19 Councils entered for August! Councils 7863 and 7907 were entered for both months as they recruited both months!

You think your Council or District should be listed and are not? Please make sure your Form 100's are in and processed by Supreme and then you will be listed, too!

Twitter! Facebook! Are you on? Have you "liked" or "followed" us? We are now active on these mediums for providing you more options for timely communication. Please sign up to keep information flowing to you and your Councils. @kofcWA

Training: Have you reached out to our State Training Coordinator, FDD Larry Shaw? He is tasked with getting training sessions set up around the state that will help your Councils. Whatever the training need, please work with Larry to schedule something. Larry, or some other State or Supreme representative will come to your district/region for individualized training! Coordinate with Larry at Training@kofc-wa.org.

Hope you have already set your sights on attaining Star Council....our State Goal is 27 Star Councils. Are you and your Council going to help get us to that goal? As always - I wish you good luck on your Council's success!

God Bless.

Vivat Jesus!

State Chaplain Message

"Jesus went around to all the towns and villages, teaching in their synagogues, proclaiming the gospel of the kingdom, and curing every disease and illness" (Matthew 9:35). Jesus, the perfect model of masculinity, spent a lot of time evangelizing—telling people the good news of God's plan for salvation. Continuing our series of reflections on the various aspects of true manliness as exhibited by the Lord Jesus, we turn our attention to the necessity of evangelization in our lives as Catholic men.

Maybe a lot of men panic at the suggestion that they ought to engage in evangelization. I know from experience that a lot of Catholics are none too comfortable talking about their faith even with fellow Catholics, let alone with non-believers. I suspect there are many reasons for our hesitation to evangelize, but I also have a hunch that none of these reasons are very well founded.

Some people confuse evangelization with catechesis. They think that if they don't have the ability to teach Sunday school off the top of their head then they're not fit for evangelization. However, evangelization is not the same as catechesis. You don't have to be a good teacher in order to spread the news about Jesus. It isn't necessary to be able to explain every facet of Catholic doctrine (although this skill can be useful down the road).¹

What is necessary for evangelization is to have had some experience of Jesus Christ and to be able to articulate that experience, even in a very basic way. We need to develop the ability to communicate to others some of the reasons we live a life of faith and some of the ways our life is different—improved!—because of our relationship with Jesus and his Church.

This basic step of evangelization has to come before catechesis if catechesis is to be effective. Without the relational aspect of our faith, Catholicism can devolve into a set of doctrines that, while beautiful, are powerless. "Going through the motions" does not save souls. Evangelization is the step where, by our testimony, we begin to convince someone that getting to know Jesus personally is truly a life-changing choice.

Some may shy away from evangelization because they don't want to jeopardize a friendly relationship. After all, you've heard people say you should never discuss religion or politics if you want to stay on good terms with someone, right? This is precisely where the underlying trait of masculinity comes in, with respect to evangelization.

Although Jesus shows us how to evangelize, more important for our consideration is the underlying motivation for his engagement in this work. In other words, it isn't the actual doing of evangelization that most pertains to our manliness, but our care of others that compels us to speak to them about Christ.

The Lord didn't go around proclaiming the gospel just because he thought it would be fun; his love for souls drove him to seek the lost and bring as many people as possible into communion with the Father. Do you suppose Jesus avoided proclaiming the gospel in some cases because he didn't want to offend people or put a friendship at risk?

I pray that all the Knights of Columbus experience the same care for souls that compelled Jesus to go out and speak to others about the Father's love. May this dimension of authentic masculinity characterize us all, so that our proclamation of the gospel might win souls for Christ.

Vivat Jesus!

State Secretary Message

Hi Brothers,

It's that time of year again! Time for football, duck hunting and big walleye fishing. I bought a boat this year and so I'm out looking to catch the big one. Here is a picture of my boat. I love it!!!

We have sent out the second bill this month in an attempt to get everyone current on their Council's Liability Insurance. The response has been great so far with 82% of the Councils in the State already paid. If your Council hasn't sent the money in yet, encourage your guys to get it in. That way you're Council is covered for the year, while you are participating in all of the cool and helpful projects you guys do. If your Council needs a certificate of Insurance request it from:

Alicia Thompson
Payne West Insurance

Richland, WA 99352

Thank you all for your continued support and effort. We really have a great Order that does so much for all of God's people that it's impossible not to be proud. Thank you for being a part of it with me. You are all my friends (some better than others) so don't be afraid to drop me a line if I can help you in any way. God Bless & Go Packers!

State Treasurer Message

My Brothers,

Welcome to the time to step up. Many Councils have had a bit of time off in recent months and many have continued their efforts through the summer as well. Now is the time to renew our commitment to excellence in reporting of accurate and timely data to Supreme.

As some of you may know we have had our share of glitches in our Exemplification Fund data and we feel that all is corrected as we speak. If not, please let me know. Don't forget, Councils don't pay for priests or the four "R"s.

- **Reinstatement** - Associate member less than 3 months since suspension. Termed no break in service.
- **Readmission** - Associate member more than 3 months and less than 7 years since suspension. Break in service.
- **Reapplication** - Associate member more than 7 years since suspension. Break in service.
- **Reactivation** - Insurance member suspended.

Please bear in mind that we, the State Council, cannot know who these entries are as the Supreme reports we get do not show names. Therefore, Councils have to identify these from their records in order to receive credit.

When you find one of these that you are being charged for, simply send the me, the State Treasurer, an email telling me the names and member numbers of those you want credit for and I'll make the entry upon receipt. It's that simple.

We still have an unusually large number of 185s, 365s and audit that are delinquent so please pay close attention to the reports from Supreme and get your Council's reports submitted ASAP.

Remember, submitting online through the Supreme website is the quickest and most accurate way to do this, especially if you list the State Deputy as an additional address at the bottom of the form to ensure he gets a copy.

State Warden Message

Brother Knights,

It was an honor to be one of your representatives at the Supreme Convention this year. Particularly inspiring were the thought-provoking homilies at daily Mass and keynote speeches during the proceedings. The presence of hundreds of priests and bishops and several Cardinals was truly a wonderful site to behold at each Mass. This year's theme, *A Light to the Nations*, is truly reflective of the Knights of Columbus and its mission of charity throughout the world. I encourage all Knights to consider becoming a delegate to the Supreme Convention at some point in the future.

The Columbian Award Application, Form SP7, is being revised this year to reflect incorporation of Supreme's *Building the Domestic Church While Strengthening Our Parish* initiative. To achieve STAR Council, a Council must implement this initiative. To assist in this effort, the State Council is conducting two state-wide programs this year: Coats for Kids Black Friday Distribution and The Family Fully Alive Program. I strongly encourage all Councils to participate in these programs. Refer to my General Program Director article for further details.

General Programs

Brother Knights,

Building the Domestic Church While Strengthening Our Parish (BDC) initiative. All Councils should be well underway in implementing this initiative. The purpose is to align Councils more closely with their parishes to strengthen them both. As part of this effort, the State Council is organizing the ***Coats for Kids Black Friday Distribution*** again this year. This program brings together families at the parish to help provide warm clothing to children in need. I want to thank the 30 Councils that submitted proposals this year. The other state-wide program we are implementing is ***The Family Fully Alive Program***. The booklet (#10162) can be ordered from Supreme and issued to members and parishioners. The program features monthly themes, meditations, scripture readings and family projects to focus on strengthening our faith, our families and our parishes. Each State Program Chairman will be featuring excerpts from the Family Fully Alive Program each month in his articles and web pages and then draw a connection to his respective program category. Program Chairmen will encourage you to comment on their vignettes through email, and the WSC Facebook and Twitter accounts. Be engaged and communicate your thoughts, and together we can learn more about our faith and be witnesses to our faith.

The Supreme Knight has asked all State Councils to also host a diocesan-wide ***Holy Family Celebration*** one Saturday in October. As we are within a month of October and due to the complexity of this type of event, it will require that we postpone any planned event until at least April. Stay tuned for updates.

Check out the new Monthly Service Report, available on the WSC Website this month. After you log in as a member, the MSR will be available under the Members Only tab. You will find Building the Domestic Church incorporated in each service program category. Watch for the new Columbian Award Application (Form SP7) as well.

**** Remember, plan programs and membership activities through the lens of Building the Domestic Church!**

Knights Served Hot Dogs at Walk for Life

It was a smooth operation. Several knights and ladies showed up to work the hot dogs at the annual Walk for Life on May 14 at Abundant Life Church. They set up the tables and laid out the buns and wieners and condiments and then dished them out to 300 walkers and runners.

Knights of Columbus hot dog crew at the Walk for Life, l-r: Brothers Dwight Felty, Gordy Wilson, Armando Mendoza Moreno, Dick Tobias, Paul & Rose Textor, and Mike Vailencour

The Walk and Run for Life is a benefit for the Whatcom County Pregnancy Clinic and members of our Council have been doing the hot dogs at the event for the past dozen years.

Those who worked were Brothers **Dwight Felty, Gordy Wilson, Dick Tobias, Armando Mendoza Moreno, Mike Vailencour, Shannon Moreland, Paul Textor**, and Rose Textor.

God Bless you and all that you do.

MEMBERSHIP DIRECTOR KIM WASHBURN “Spread the Light”

The newly designed brochure and pins have arrived and Lt. Libra (Marcel Bergeron) is hard at work distributing to the proposers of new members. We should keep him so busy he has to retire from his full time job. Seriously, we have a lot of ground to make up.

July and August were less than stellar, but summer is over and now is the time to hit the parishes with membership drives. Of course, every day is a membership drive, so don't be afraid to ask the man sitting next to you in church.

The priests that have not been so supportive in the past are coming around. Acceptance is getting better as they learn we are there for them. If you are having trouble with your priest understanding how beneficial we can be to the parish, let Fr. Kenneth St. Hilaire, State Chaplin, know. Maybe he can give them a call.

This month we are featuring Planet Snoqualmie (16186) and Nine Mile Falls (16184) as Binary Planets.

Planet Snoqualmie brought in 4 new members catapulting them to 100% of quota. I asked GK Adam Gorski how they are so successful. He gave me some real good pointers.

They have a Bible Study group that is made up of Protestants, Knights and Catholic men that are not members. This has helped to increase their visibility. One Protestant in the group felt compelled to attend Catholic Mass for the first time in 35 years.

They are a fairly new Council of 31 members. Their Church is small but they have a supportive (4th Degree) priest. As you know, that is the key to membership and program development.

Membership Director Desk continued

Other areas they are visible; Camping trips, fish fries, assisting disabled in yard work, inviting young men to join on their 18th birthday, etc. GK Adam said Eugene Daly has been of great help too.

Communication was breaking down as he mentioned that 4 more men will be taking their 1st Degree Sept. 27th.

GK Michael Collier (16184) has led their Council to within one new member of reaching their quota for the year.

The priest wasn't so favorable of the Knights and forming a new Council. However, since he has seen how involved they have been in building their new church, things have changed.

They only have about 80 families, but the community is alive and thriving. They will be participating in their first Tootsie Roll Drive in September and looking forward to it. Their next Church membership drive will be in October.

We have a three way tie right now for Top Recruiter. Jose Sanchez-Jimenez, Eugene Daly and Harold Balzert have all brought in 3 new members to our Order. They will be receiving 3 Star Track Recruiter pins each within the next few days, if not already. All of these men are doing a great job and are shining examples of how we could be.

For the month of August, our jurisdiction brought in paltry 28 new members, way short of our 78 quota. We need a lot more new members so I can shave Eddie's beard at the Summer Meeting next year.

Here is where we stand in ur jurisdiction:

Intake/Gain of 65, or 7% of quota, places us at 55th out of 74 jurisdictions.

Net/Gain is (-45) or (-8%) to place us at 71st out of 74.

Net/Net is (-71) or (-26%) in 49th place.

Please review the brochure incentives for the year. They are simple and straight-forward, but will need refreshing from time to time. Don't forget the Supreme Incentives too. Remember, your District Deputy is there to help you. If he is not being helpful, or you're not hearing from him, contact the District Deputy Director, Eugene Daly, or any State Officer and we will help.

Let's "Spread the Light".

Washington State Council
Knights of Columbus

From the Desk of the State Deputy
July 1, 2016

Brothers,

The number one reason men have not joined the Knights of Columbus...they have not been asked. Sometimes the hardest thing about recruiting is taking the first step. Recruiting a new member can be as easy as asking him to join. Let us then, reach out to those potential members and ask them to join us. Ask them if they would be willing to help in one of our already successful programs...once they see how easy it is and how fun it can be...they will ask to join!

The Washington State Council's theme this year is "Spread the Light". This theme exemplifies the four main principles of our Order: Charity, Unity, Fraternity and Patriotism. We need to grow the Order in Washington so we may do more to support our Bishops and Priests and help bring stability to our families and our community.

Every member of the Knights of Columbus in Washington is eligible to participate in the "Star Track" incentive program. All you need to do is recruit a new member, be a friend and guide them through their application process, escort them to their 1st Degree, and help start them on their way as a successful brother Knight in our Order.

Good luck, we are pulling for you!

Vivat Jesus!

Community Chairman

My Brother Knights of Columbus,

Our Supreme Knight Carl Anderson has asked all Knights of Columbus to step up and help those who have been devastated by the dreadful rain storms hitting southern Louisiana. This is what our first Degree is all about: Charity. What better way to show how our state responds to those in dire need? We can do this in different ways, either individually or as a Council. The key is to do something to help out those who are the neediest.

As Mother Teresa said "It's not how much we give but how much love we put into giving." These words could not be more appropriate for such a worthy cause as this.

Let us take time to search our hearts to find within ourselves what we stand for as Knights of Columbus. How we respond to this gut-wrenching event will define us as men of God.

Below is the article that was posted on the Supreme website.

Your Help Is Needed

Several people have died, with tens of thousands of others forced to leave their homes. More than 30,000 people have been rescued from the flooded areas, many seeking refuge in emergency shelters.

In response to the devastation, the Supreme Council has launched an online donation drive to assist with local relief operations. One hundred percent of the proceeds will go directly to relief efforts.

"The Knights of Columbus has a long tradition of providing disaster relief," said Supreme Knight Carl Anderson. "Our communities, like the people of Southern Louisiana, need our time, our efforts and our financial assistance. We are going to do all that we can, working with the Louisiana State Council and local Councils, to help those most in need as a result of the flooding."

Your support is urgently needed. Please **DONATE TODAY** to help those suffering such devastation.

Food For Families - Council Spotlight

Here are photos of our check presentations to the following Food Banks and Backpack for Kids program each organization received a check for \$727.83 for a total of \$2, 911.32. All of these organizations are in Belfair, WA.

1. Prince of Peace food bank located at our Parish. They support our parish community with food for the families that are in need, they also serve breakfast to the catechism classes on Sunday mornings during the school year.
2. North Mason Food Bank and Belfair Community Food Pantry both serve approximately 2,000 families a month. They are both run by volunteers - there are no paid employees. They are both open 2-3 days a week. The Food Pantry has also planted a garden on the side of the building consisting of tomatoes, potatoes, lettuce, squash, etc., for people to come and at least be able to get some vegetables when the bank is closed.
3. The North Mason Coalition of Christian Churches delivers 142 Backpacks a week during school for the kids and during the summer they delivers approximately the same to the children's homes to help the families.

Fraternally,

Kenneth Rodrick

Youth Chairman

Brother Knights,

Boy, the fraternal year is just zipping along. We are already entering our 3rd month of the fraternal year. I hope you are well into planning your youth activities. Supreme will once again be contributing to the Coats for Kids program with their Black Friday Coats distribution, did you take the time to submit your proposal on how your Council will be participating in this event. If you missed getting this in, this should not stop you from participating in the Coats for Kids program? If you will be ordering coats this should be done through Knights Gear using the link - <http://www.knightsgear.com/coats-for-kids>

If you are looking for ideas for Coats for Kids fund raising or holding a supporting event to get members of the church aware of this program (Domestic Church Activity) here is what Council 5495 in Burien is planning to do for Coats for Kids:

In early November, we will be holding our 3rd annual Ice Cream social and movie night in support of the Coats for Kids program. The parish and school of St Francis are invited to join us for a light dinner and or Ice Cream sundaes and a movie. We work with the Outreach office of St Francis to have the coats distributed through the community support outreach office for Reform Burien. We do not put a cost on the event, instead we ask for a donation. Proceeds from the social help in the purchase of 2 cases of coats.

This is a simple and effective program they have going, hopefully this gave you an idea of how to plan an event.

Youth Chairman

Vocations Chairman

As the new academic school year begins, we are once again looking for support for our seminarians through the RSVP Program. We have approximately 14 new seminarians this year between all three dioceses. If your Council supported a seminarian or seminarians last year, please continue that support, or notify me that you are withdrawing that support.

There are three times per year that seminarians need the most support:

- At the beginning of the school year
- At Christmas time
- At Spring break

All support to seminarians should be sent prior to the beginning of May, as many of them leave the seminary for summer break in the first two weeks of May. Once they leave the seminary I do not have their contact information. ALL seminarian requests and inquiries about their support (including uncashed checks) should come to me for action. You can reach me through email at vocations@kofc-wa.org or call me at (509) 939-3424.

General Agent Update

Ask Eligible Men to Join

Today, let's address the growth of the Order. Membership growth is the fuel that keeps this great fraternal engine running. All of our charitable works at the Council, state, national and international level are thanks to our hard-working members. And more members equals more charity.

We know that the membership blitz is a tried and true way for Councils to get more men to join. We see these pushes often in March, in celebration of Founder's Day, and again in October. These drives are successful because brother Knights have increased visibility speaking or presenting during and after Masses and at special events. We must remember that we have a duty to ask each and every Catholic gentleman to join our ranks for the good of the Church, the community and the Order.

During the rest of the year, we often "forget" to ask men to join and to bring their families into the Knights of Columbus family. You probably know an eligible Catholic man you could ask today. What if the only reason he hasn't joined is because no one has asked him yet?

When telling a prospect about the strengths of the Order, don't forget our greatest fraternal benefit: our insurance program. This is often a "selling point" to a potential member who is on the fence. Many members become Knights simply to be able to buy coverage to protect their family. Soon after, they realize the good our charitable works do for their community, and they are proud to be members.

You can obtain your agent's name and phone number from your General Agents office

Family Chairman

The family arises from marriage. Parents, children, and family members form what is called the domestic Church. This is the primary unit of the Church – the place where the Church lives in the daily love, care, hospitality, sacrifice, forgiveness, prayer and faith of ordinary families.

How are you Living Your Life as a Catholic family?? Are your values that of the Domestic Church? The family as the Domestic Church is central to both the work of the New Evangelization and to the future sustainability of our parishes.

The family can only truly be a domestic Church when its daily life mirrors the various aspects of the entire Church. For this to become a reality the family must be more fully integrated into the sacramental life of the parish.

As Knights of Columbus our Councils are not only places that provide invaluable support to parish life in terms of charitable and social activities, but they also are a primary place to support the evangelization of family life through the mission of the domestic church. As Knights we can do this more by integrating families and parishioners together through all of the Feature Programs offered to us from Supreme.

Take the time to find your place in the process of through the eyes of the Domestic Church.

Culture of Life

In August I brought the Washington State Sculpture of Life to the 4US fundraiser at Fort Steilacoom State Park. I was amazed at how well the event was organized and the attendance was eye opening. I don't recall another pro-Life event in the state that was so powerful. If you haven't taken the opportunity to attend one of their events you are in for a wonderful surprise - make it a must do for next year.

Talk about Building The Domestic Church - this was a powerful Christian family event that was fun for all. From a dipper dash to a 5K Glow Run/Walk to a huge squirt gun fight, fantastic food and many, many Pro-Life organizations, the event was awesome. And best of all, absolutely ALL monies exchanged at the event go to 4US (an independent organization from the Knights) to support Ultrasound. The sculpture was enjoyed by many especially on Friday night as it was dark and the lighted sculpture was beautiful.

We finalized one application for the Ultrasound Initiative in August and submitted the completed archdiocesan evaluation form to the Pro-Life Director for the archdioceses. I am quite optimistic that this application will be approved.

Keep your eyes and ears open to find other woman's health care clinics that are in need of an ultrasound machine. Many of these clinics are located near abortion centers as well as high schools and universities. Remember an ultrasound machine provides "a window on the womb" as quoted from Supreme Knight Carl A. Anderson.

The scripture reading of the month of September from the booklet by Supreme titled Family Fully Alive is Psalm23: 1-4, 6. It begins "The Lord is my shepherd He guides me along right paths for the sake of His name." Is God guiding you to participate in the upcoming 40 Days For Life Campaign? Will you stand up for the Unborn? This is another opportunity to do just that. The upcoming campaign begins Wednesday, Sept. 28 and continues through Sunday, Nov. 6. If you need to find a campaign near where you live call me!

Master of the Fourth Degree - Eastern WA

Brother Knights,

We have started a new fraternal year in our Councils and assemblies, now is the time to thank those who worked so hard to make the Knights of Columbus the great fraternal origination we are. In doing so I would like to take this opportunity to thank FMFD Thomas J Sokol for his leadership the past three years of the Eastern Washington District.

I was thinking that the duties of the District Master are similar to that of a District Deputy, so here I go. There are several Assemblies who have not submitted their Election of officer's form #186 which was due on July 1st and their Annual Audit form #1315 due August 1st. I am asking the navigators of the following assemblies: 1171, 1177, 1539, 2105, 2440, 2717 and 3577, to submit these forms to me as quickly as possible. Assembly # 2414 is missing the 186 form and assemblies 1174 and 3111 are missing their 1315 forms. I would greatly appreciate your cooperation in getting this taken care of, thank you

There are five Exemplification scheduled in the district this fraternal year. The dates and locations are:

- September 21, 2016, Richland Assembly 1174
- October 6, 2016, Moses Lake Assembly 3773
- January 28, 2017, Yakima, Assembly 1171
- March 25, 2017, Kennewick, Assembly 2258
- May 6, 2017, Spokane Assembly TBD

For more information you may contact the host assembly Comptroller or myself.

In another matter, has your assembly made it's donation to the Military Chaplins Scholarship Fund?

As of August 19, 2016, donations to this fund totals **\$1,273,340.75**. The Supreme Knight has requested that we increase the goal to **\$1.4 million**. This leaves us with **\$126,659.25**, to attain this goal, I hereby challenge each assembly in my district to send in at least \$25.00 or more to me, thank you in advance.

Vivat Jesus!

Church Chairman

Brother Knights,

“Building the Domestic Church is one concrete way that the Knights of Columbus, in solidarity with Pope Francis, can offer ‘holy and loving families’ for the Church’s mission of evangelization in our time” (*Family Fully Alive*). We can look at Church programs in the context of and as a means to “Building the Domestic Church while strengthening the Parish.”

The way our Councils organize member and non-member families in support of vocations, the local parish and the universal church can be a beacon to the broader community, demonstrating familial love and service to all.

You may have noticed that Church programs have been divided among three Chairmen. Chairman Tim Coyle focuses on vocations-related projects such as the Supreme Featured RSVP and Pennies for Heaven. Chairman Darrell Wehr guides the Keep Christ in Christmas activities. I am here to help you with the other Church related activities.

They include but are not limited to the Marian Prayer Program, Clergy Appreciation dinners, Altar server appreciation, parish grounds cleanup, Faith formation programs, Corporate Communions, Holy Hours/Eucharistic Adoration, Bible discussions, Rosary making and distribution, and Council-wide commitment to volunteer as lectors, ushers and other liturgical ministers, sponsorship of parish retreats.

Please let me know if you would like more information on any of these or if you would like to share about the success of a Church Program project that your Council conducted.

Last word – some activities may count toward obtaining a partial or plenary indulgence for ourselves or a suffering soul. I’ll address that more next month when we prepare for unique November opportunities to gain indulgences. In the meantime, if you have any questions, please feel free to call or write.

Vivat Jesus!

Church Chairman

Tootsie Roll Update

One Sweet Deal!

columbuscharities.net

Worthy Tootsie Rollers,

This year's drive is just around the corner....Are you Ready?? Got all the necessary forms turned in and materials Ordered??

I'm still waiting for some of our veterans to get on board and I welcome some first timers! Are you STILL thinking about it?? IT's NOT too late!! There is still time....Get involved... you won't regret it!

It takes 3-4 weeks for the Tootsie Rolls to be delivered. The aprons take the same amount of time. Depending on when your drive is, you still have time. You can move your drive to the end of October, too. That would give you plenty of time. **The important thing, get involved.**

For smaller quantities of tootsie rolls I have some on hand locally. Just give me a call and I'll get them to you.

Fred Meyer, QFC and WalMart are our best partners, especially, Fred Meyer. Fred Meyer approval can be as quick as one week, but must come from Portland, OR.

I can't say it enough....Please take the time to ask the local merchants in your area.....You'll be surprised at how many will jump at the chance to support this event.

For ALL forms and Complete instructions on how to have a successful drive go to columbuscharities.net, left click the tootsie roll.

If you have any questions or need further assistance please don't hesitate to contact me!!
