KNIGHTS OF COLUMBUS

"Friends In Christ Doing God's Work"

Message from the State Deputy

My Brother Knights,

Welcome to the start of a new Fraternal Year. While it is a great time to get a fresh start, with new ideas and plans, it is just as important to invest our time in bringing in new members to help with the ever increasing work of our programs to support the Church and the less fortunate.

Father McGivney formed our order to increase the spirituality of its members, protect their families in time of crisis caused by the loss of the bread-winner of the family, and to support those in need. We cannot do this without continuing to ask Catholic men to join us in these efforts. Every year member pass away, retire from active service due to health or age related inabilities, transfer out of state, or worse, some even leave the order.

Is it Ok to just stop a program because we lack the manpower to perform those duties that help our church and our communities? Do the less fortunate become somehow less needy because we choose no longer to help them? Of course, not Our only solution is to continue to grow the order with new members.

A gas station put up a sign that read "Free Gas Tomorrow." For years that sign was hung on the building and drew customers from everywhere, yet never one gallon was ever given away... Why you ask? Because the owner always stated..."I'll be doing that tomorrow...not today". Is this somehow the same way we decide when we will invite good Catholic men to join us? Tomorrow? Make that effort today, in your parish and in the community. At the store and in the workplace. Simply ask. The last three members I brought into the order came from my workplace...not the safety of the church property free from criticism about doing God's work. Be bold and wear your faith...the Holy Spirit will protect you.

Vivat Jesus...

State Chaplain Message

With the summer months comes an onslaught of activity for many of our Knights of Columbus households. Kids and grandkids are out of school. Vacations and road trips are planned. Yard and garden maintenance is in full swing. And let's not forget the full time jobs that all our not-yet-retired Knights are still working all the while!

There's a lot that vies for our attention. Many succumb to the temptation to let faith-related matters fall by the wayside. Sometimes, folks don't think about finding a place to go to Sunday Mass when they're traveling over a weekend. I have heard "I was on vacation" used as an excuse for missing Mass more times than I care to mention.

In response to that, others will say, "There's no vacation from vocation!" That is, when it comes to living our faith and responding to the call of God in our life, there is no time when we are "off duty." There is no time when married people stop considering their spouses. There is no time when it's okay for a cleric to behave in a manner unbefitting of a man in Holy Orders.

That doesn't mean that no one gets any time off. It just means that however we spend our downtime, we still need to be mindful of who we are in Christ and how we ought to conduct ourselves.

Now, there *are* legitimate reasons for missing Sunday Mass. However, my sense is that people can be a little too quick to legitimize reasons that the Church wouldn't necessarily consider grave enough to justify missing Mass.

The principle "first things first" comes to mind. When planning a trip or vacation, one of our first questions ought to be: will Sunday Mass be available where we are going? When possible, we should plan our activities around that. If it's a place where the nearest church is an hour's drive away, then fine. (Actually, when I went camping as a kid, my family would always drive an hour each way to go to Sunday Mass. But I understand that that may be considered extraordinary by most people. It sure communicated to us kids the importance of making it to Sunday Mass, though!) All else being equal, it's best to choose vacation destinations that will afford us the opportunity to participate in the Eucharist on the Lord's Day.

The bottom line is, our commitment to the spiritual life must be non-negotiable. Our relationship with the Lord is the "first thing" that needs to be put first. Remember Martha and Mary welcoming Jesus into their home? Martha is busy with serving and even wants Jesus to scold Mary for not helping out. Jesus tells Martha that Mary has "chosen the better part, and it will not be taken from her" (Luke 10:42).

Let's not let Sunday Mass, prayer, Scripture study, and spiritual reading be elements of our life that we try to fit in around all the rest. Rather, let the opposite be true. Let's put first things first. Let the rest of our life be structured around our relationship with God. Or, better--let everything in our life be *permeated* and *transformed* by our relationship with God. That's not only a good recipe for a great summer, but the perfect plan for a life well-lived.

Vivat Jesus!

State Secretary's Six Months Letter

Your New State Secretary.....Look out!

State Secretary Report July 2019

Brothers,

We had a great Convention. Everything flowed and Bob was spot on. If you missed it, make an effort to attend, first our Summer Leadership Meeting in Pasco July 19th – 21st, and then the Convention in Yakima May 15th – 16th, 2020. They are well worth it and spiritual.

I am including our “Next SIX Months Letter” in this Bulletin as it has a lot of information to start the fraternal year right. The hardest thing for me, as your new State Secretary, will be those that pay late or not at all. When a council is late, it makes our job twice as busy. We are all volunteers too, so be kind and thoughtful and pay your council bills on time....Please!!!

Keep an eye on the website as to when/where our State Regionals in September/October time frame will be held. These meetings are generated for you, more of a one on one for better feedback and discussion.

Insurance billing will go out around July 31st. The cost will be \$1.20/member. Insurance rates just keep going up, so we have no choice but to raise the fee. This is still very cheap compared to other Jurisdictions. Idaho, for example, is \$1.85/member, so you can see we are fortunate.

I am looking forward to seeing you at the Summer Meeting in Pasco. Please attend and get the fraternal year off right.

State Secretary's Six Months Letter

TO: Grand Knights and Financial Secretaries
Washington State Council

RE: First Six Months Letter, July 1, 2019 to December 31, 2019

NEXT SIX MONTHS LETTER

If you need assistance or information, never hesitate to call your District Deputy, State Chairman or State Officer. If you have any questions about the information in this letter, please give me a call at (509)-888-6300 or send me an e-mail at StateSecretary@kofc-wa.org.

Listed below are the important duties and responsibilities of your office for the six months beginning July 1, 2019. Our hope is that this letter will prove to be a useful tool and guide for you in the first 6 months of the new fraternal year.

Important Notes for the Next Six Months

1) ELECTION OF OFFICERS - Your Financial Secretary must enter into Member Management Council Administration your 2019-2020 council officers immediately after the election of officers. Be sure to make the entries as "Next Year Officers" and not as "Current Officers" (unless you are past the 6/30 deadline and the newly elected have become "Current Year"). This must be immediately followed by the generation in Member Management Print Center of Report #2 (Report of Next Year Officers) (use Report #1 if past 6/30 which you then send to the State and District Deputies (and your own council records). These two actions replace the use of the old form 185, **which although still available should NOT be used**. These two actions also eliminate the need for use of the old state directory change form as the report will be forwarded to the webmaster, so please discontinue use of the "change form" as well. The Grand Knight should ensure that the Financial Secretary has taken care of this as required.

2) REPORT OF PROGRAM PERSONNEL DUE JULY 31st – This is done in exactly the same manner as the report of officers, that is by direct entry into Member Management Council Administration as "Next Year" and then sending Member Management Print Center Report #4 (Report of Next Year Program Personnel) to the State and District Deputies (and your own council records). These two actions replace the use of the old form 365, **which although still available should NOT be used**. These positions (at the very least including Program Director, Community Director, Family Director, Membership Director, and Retention Chairman) should be determined and assigned by the incoming Grand Knight as soon after the election as possible, and in most cases this should be before the start of the new Fraternal Year on July 1st (deadline is July 31st). If for some reason it is not done by June 30th then enter as "Current Year" and use Report #3.

3) DEATH NOTICES/SICK NOTICES – Our State Chaplain, Rev. Kenneth T. St Hilaire, celebrates monthly Masses for our deceased and ill Brothers and Family members of the Washington State Council. A card of condolence (*in the case of a death*) or get-well card (*in the case of an illness*) is sent to the next of kin or family member if information is sent timely. The State Secretary also forwards this information to the Bulletin Editor, for publication in the "State Bulletin". **For this process to be effective, it is imperative that the notification is accurate and timely and that the name, address and relationship of the next of kin are also provided.** Notifications of deaths may be transmitted to the State Secretary via email (StateSecretary@kofc-wa.org) or in the form of a written communication to: Kim Washburn, State Secretary, 10555 Fox Rd, Leavenworth, WA 98826-8723. Information on Survivor's Assistance and a Survivor's Assistance Checklist can be found on the Grand Knight's CD-GK REFERENCE GUIDE (Part III, 52-56)

4) STATE DIRECTORY CHANGES – You must immediately inform **Web-Master Tim Philomeno** (via phone (253)661-2296 or e-mail to Webmaster@kofc-wa.org) of all changes that need to be made to the "Washington State Directory" including your Council Chaplain **unless you have follow 1) above**. The change form can be found on the State Web. It is your duty to check from time to time for updates and to stay current revising your personal directory as needed.

State Secretary's Six Months Letter (Cont.)

5) COUNCIL AUDITS DUE AUGUST 15TH AND FEBRUARY 15TH - Council Audits are due every six month period (July-December and January-June) requires a council audit. This should be done as soon as possible following the end of each six month period with a deadline 45 days later (8/15 & 2/15)

6) PARTNERSHIP IN PROFILE form (4584) & SURVEY of FRATERNAL ACTIVITY (1728) are due JANUARY 31st. Special Olympics involvement (whether you were active in Special Olympics or not) must be submitted on Form 4584 Partnership In Profile. Supreme sends Special Olympics Washington a check representing those reports. Last year it was \$7,200 of free money to Special Olympics Washington through the Knights of Columbus. Fraternal Activities form 1728 is the most important form you can file to preserve our tax exempt status. This saves our Supreme Knights of Columbus millions of dollars in tax exempt funds.

7) PER CAPITA ASSESSMENT BILLING - The Council Per Capita Assessment was mailed to the Grand Knight and Financial Secretary during the month of January 2019. **The \$9.00 per member assessment is due upon receipt and is payable without council vote.** The Per Capita Assessment excludes inactive insurance, honorary life and members who have qualified for special disability as of December 31, 2019. (Each council is required to update the list of its members shown on the Supreme Council records as exempt from payment of dues and per capita taxes as of October 1st). **Councils must certify their members for continuing disability and submit the certification to the Supreme Council prior to December 31, 2019.** If the Grand Knight and Financial Secretary fail to certify the continuing disability of any member within the ninety-day period, the waiver of dues and per capita charges will be terminated. For additional information refer to the

Washington State Council Bylaws, Article VII Finances, Section 3, and Disability Exemption Guidelines, (Form #1813G).

8) GROUP LIABILITY INSURANCE - A Commercial General Liability Occurrence form provides \$5 million per occurrence and \$10 million per member aggregate including auto and liquor liability. This group liability coverage may be purchased by councils wishing to participate. Your council premium will be based on the Supreme membership report of active membership as of July 1st. The cost will be known when we discuss with our insurance carrier prior to billing. We hope to keep a similar rate to that of our current rate of \$1.20 per member.

A Liability Insurance Letter is no longer included to all council Grand Knights and Financial Secretaries along with a Council billing invoice. Additional information can be found on the Grand Knight's CD-GK REFERENCE GUIDE (PART II, State Council Information). All insurance payments must be made payable to "**Washington State Council**" and mailed to the State Secretary, Kim Washburn, 10555 Fox Rd., Leavenworth, WA 98826-8723.

For proof of insurance or an additional insured certificate, please contact:

Alicia Thompson, 390 Bradley Blvd, Richland, WA 99352. Phone: (509) 946-6161. Fax: (509) 946-0715 E-mail: althompson@paynewest.com

9) ANNUAL MEETING (STATE CONVENTION) BIDS - The Washington State Council Bylaws as it pertains to the Annual Meeting (State Convention) requires the State Officers to fix the place of the Annual Meeting five years in advance. The dates for State Conventions are noted below in Paragraph 8 for the years, 2020, 2021, 2022 and 2023.

Guidelines and information for bidding to be the Host Council for a State Convention are found in the Grand Knight's CD (PART II, State Council Information). *Councils desiring to host the Annual Meeting may do so by notifying the State Secretary, in writing, no later than December 31, two years prior to the Annual Meeting.* The notice must be on council letterhead signed by the Grand Knight and the Financial Secretary and have the Council Seal affixed.

10) PLANNING ASSISTANCE - The Grand Knight's CD provides a twelve-month checklist of all reports and dates when they are due. You can also find checklists and other tools with key dates, reminders and reports *to be submitted. The Grand Knights CD can become your most important tool, if used.*

11) This year the State Deputy has planned a number of Regional Training Meetings in September/October time frame. Watch the State Bulletin for a list of the dates and locations.

State Secretary Six Months Letter (Cont.)

Also please remember that work on 2020 billing and retention begins in October with corrections and updates to member information and member balances followed on November 1st by preparation of the annual billing packet to be mailed out December 15th. Wise Financial Secretaries get all, or most of this work done before Thanksgiving to make December less hectic.

Any questions or problems with administrative matters should be referred to any of the Administration and Finance Trainers.

State Treasurer Message

State Treasurer's/Incoming State Secretary's July 2019 Report

Brother Knights,

Now that I had just learned to spell treasurer, it is time to move on to the next office, State Secretary, for 2019-2020. Treasurer has been a very fun position and I am sad to see it end. That position was right down my alley.

The Councils' are getting way behind in payment of their Exemplification Fees. The State relies on this money to support 3rd Degree expenses. Just the medallion is \$5.

Remember, a \$7 fee per each new member brought into our Order is due to WSC from the receiving council. Write the check as soon as the Formation Degree is over. I wish we were closer to zero balance due for Greg to take over, but it just did not happen.

Please get your account up to date and mail your check payable to Washington State Council with exemplification in the memo area, **AND COUNCIL NUMBER ON THE CHECK**. Send to:

Kim Washburn

State Advocate's Message

(This month's State Advocate's Message has been submitted by the outgoing State Advocate on behalf of the incoming State Advocate.)

Cornerstone Conference 2019 / Safe Environment Program Compliance

Brothers,

This is my last article as State Advocate and I want to extend my sincere thanks to all who have labored to be compliant with the Safe Environment Program training and background check requirements. As you see from the SEP compliance chart, most positions are compliant. Keep up the efforts.

Cornerstone Conference 2019: Mark your calendars to attend the Cornerstone Catholic Conference in Tacoma on October 18-19, 2019, hosted by the Washington State Catholic Conference. This is the largest gathering of Catholics in Washington State who come together to celebrate and promote the Culture of Life.

As a keynote sponsor this year, we will introduce one of the keynote speakers at the conference and we will host a Knights of Columbus display area next to the conference registration area.

I encourage as many Knights and their families as possible to register and attend the conference to support the Bishops of Washington in their ministry of evangelization and promotion of the sanctity of life. **Register by June 30, 2019, and you will receive the lowest registration fee, \$75 (\$55 for young adults under 30).**

Registration fee goes up on July 1 and again on September 1.

Wear your nametags, vests or any Knights apparel and be visible. See the enclosed flyer for more information and how to register.

Safe Environment Program (SEP) Compliance: Continue to work on this if your council is not fully compliant (all boxes green). The following charts show fraternal leaders who are compliant (green box with 'X'), fraternal leaders who are non-compliant (red box with "O"), fraternal leaders who are not assigned (yellow box with "O") and fraternal leaders who are pending (yellow box with "P"). Contact me for details. **Grand Knights must follow up and correct deficiencies soonest.** The goal is to get the red and yellow out!

State Warden's Message

My Brothers,

I had thought last month was my last article as State Warden – oops! Due to when we publish the bulletin and when we take our new office, some officers will make the change for the July bulletin and some officers will make the change for the August bulletin.

The silver lining is that this gives me one more chance to express my gratitude for all the hard work you men do, and to express my admiration for your dedication to our Church and Order. I have had the best time over the past two years reading about all the great work done by Councils across the state, meeting men at state meetings, regionals, Council meetings, etc. Truly Washington is blessed to have such men committed to taking care of their neighbors!

Quick administrative note for the District Deputies – anyone who did not get their blue envelope with their Council certificates can pick it up from me at the Summer Meeting in Pasco. Please see me at some time during the meeting and I will make sure you get your envelope.

I would ask you to show that same level of effort, that same dedication to building God's Kingdom here on earth for your new State Warden, Scott Hulse. He is a talented and hard-working man, and I pleased to have such a Knight manning this position moving forward.

May God continue to bless the Knights of Columbus as we move forward in this troubled world.

Vivat Jesus!

Tom Williams

Immediate Past State Deputy's Message

Hi Brothers,

I found a neat new place in the State bulletin, because I have made it to Immediate Past State Deputy. What a great run it has been for Valerie and I- Ten years as a State officer and heading for the final two. Thank you, each and every one of you, for your undying support for all of these years- you are the best and God Bless You!

I have a modest new job that I would like to tell you about. I will be the guy who gets to send out **GET WELL CARDS** and **BEREAVEMENT CARDS**. There really isn't a whole lot to it. All you need to do is when you report an illness, give me a name an address to send it to and off it will go!

When you report a death, make sure that I have the name and address of the next of kin and I will send out that card as well. As a matter of courtesy to those that are grieving, it is very important to let me know as soon as possible. Nothing is worse than a **LATE SYMPATHY CARD**. It's hard enough to live through the passing of a loved one once without having to be reminded of it a month later. If I feel it's been too long, (later than three weeks) I won't send the card.

I will be seeing a great many of you for the Summer Leadership training event that will happen in my neck of the woods, Pasco, in July. That is always an intense meeting, but a very helpful one for those guys who are about to take on a new Council position. I'll make sure that we have plenty of sunshine over here so that you can enjoy the trip and the pool when you get here!

HAPPY SUMMER AND SEE YOU SOON!

Bob

E-Prospect Card / Member Mission Results / Incentives

Brother Knights,

It has been both a pleasure and a challenge serving as the State Membership Director these past two years. My thanks to all who have worked hard to achieve their membership goals. Whether you hit the goal, surpassed the goal or fell short of the goal, remember that as long as you had put forth a good effort for the greater glory of God, then you did what was asked. As WSA Tom Williams assumes State Membership Director, please continue your efforts and make this new fraternal year a banner year in membership growth across the state.

Prospect Landing Page: Do not forget to request your Prospect Landing Page from Supreme by going to this link: <http://info.kofc.org/pagerequest.html>. The screen shot below is what you will be directed to:

The screenshot shows a web form titled "KNIGHTS OF COLUMBUS". It includes a logo at the top left. Below the logo, there is a note: "Use this form below to request a customized prospecting program for your council. Please note that turnaround may take a few days. This page is for prospective members only. If you are a member of this council, please go to the Member Center. Your council's membership program is currently available in the United States and Canada only." The form has fields for First Name, Last Name, Email Address, Council Number, and State. At the bottom, there is a note: "Please provide the date the page is needed, the name of the person to refer to your council, and the address of the contact person (if it's not you)." A "Submit" button is located at the bottom right.

Implement E-Prospect Cards, which can be used at all Faith in Action program events and at your Church drives. Please review the Prospecting Page FAQs sheet at the following link: <http://kofc-wa.org/FrontPageContent/Membership/Your%20Prospecting%20Page%20FAQ.pdf>.

State Program Director's Report

Brother Knights,

I had thought last month was to be my last article as your Program Director, but due to the publishing timelines for the bulletin I have one more opportunity. Again, I am grateful for all the hard work Council have put in over the past two years to deliver high quality programs across the state. It has been a treat to learn of all the good work done by Knights, and I would encourage you to show that same level of commitment and energy for my successor, Scott Hulse. He has some great ideas to make Programs even better and I am excited to see an infusion of new ideas into Programs. Please give him the same great support you have given me over the past two years.

The big event coming up next is the Summer Leadership meeting in Pasco, from July 19-21. If you are a new Financial Secretary or Grand Knight, you really should attend this training to give yourself the tools to be successful this coming fraternal year. There will be presentations of the latest information and guidance for Programs and Membership, as well as opportunities to hear from various chairmen. Brothers, avail yourself of this opportunity! Registration information is available on the state website.

Finally, don't "take summer off" - - stay focused and working hard for the Knights. The warm weather and long days give us opportunities to reach to prospective members via our Programs, and the Faith In Action program offers many innovative ways to reach out to younger men and families. Take the time to look at the offerings and trying something new, I promise you will be pleasantly surprised!

Vivat Jesus!

Fraternally,

State Community Director's Report

We, within the Washington State Council, are beginning to get our arms around the Faith in Action Program that was sent down to us by the Supreme Council. It has been my privilege as the Community Director for the Washington State Council to witness our state's Knights of Columbus corporal acts of mercy within communities throughout Washington State. We have fed the hungry, given drink to those with thirst, clothed the naked, sheltered the homeless, comforted the sick and buried the dead. I am unaware of any council that has visited those in prison; however, I do know individual Knights who make these visits regularly. All of these activities are highly visible to strangers as well as our neighbors and friends. I thank all of you for living our faith.

I look forward to working with Dang Nguyen, your Community Director for the Washington State Council during the coming 2019 – 2020 fraternal year. I encourage all of you, my brothers, to do the same. Remember your lessons as you progressed from the entry level to Knighthood in our Order. Together, as brothers, the difference we make is enormous.

I am thankful for Roger Willis' efforts with the Coats for Kids program. I am truly grateful for Ken Devos' promotion and organization of our Youth Programs. We all appreciate and thank John Walker for his many contributions to our Washington State Council programs including the state wheelchair initiative. In addition to these brother Knights who have diligently served our Washington State Council, there are many, to numerous to name, within individual Councils who have made an enormous difference in their communities. Please acknowledge their contributions whenever you can.

Thank you all for your continued friendship and support during the past years and as we move forward into the future.

Respectfully Submitted

Scott Hulse,

Life Article for the July 2019 State Bulletin

I recently read the Pro-Life News from the Maryland State Council of the Knights of Columbus. I thought the information was spot on and I asked and received permission from Lawrence P. Grayson, the Pro-Life News editor of the Maryland State Council, to include it in my July article for the Washington State Council.

Washington State Ultrasound Program

In Washington State, the KofC has donated 24 ultrasound machines to Pregnancy Care Centers throughout the state. We currently have completed the diocesan evaluation for another center and that has been submitted to Supreme for authorization to proceed with fundraising. The funding for this machine is already in place so we should be in a position to submit the completed package to Supreme in the very near future

Blocking Federal Funds for Abortion

On May 22, twenty five Republican senators requested that the Senate appropriations committee decline to advance any bills with language that would weaken or remove pro-life or pro-religious liberty measures currently in place. They cited the Protecting Life in Global Health Assistance policy, which blocks funding to organizations that promote abortions, and the updated rule for Title X of the *Public Health Services Act*, which prohibits Title X money from going to clinics that perform abortions. Planned Parenthood is set to lose millions of dollars in federal funding due to this new rule.

Where do the Presidential Candidates stand on Abortion

Joe Biden, former vice president, has endorsed repealing the Hyde amendment, a measure that prohibits federal funding of abortion except in cases of rape, incest or when the mother's life is endangered.

Bernie Sanders, Vermont senator, wants a national law legalizing abortion up to birth.

Kamala Harris, California senator, wants states that have had pro-life laws struck down by the courts to obtain Justice Department approval before they can implement any new pro-life laws.

Elizabeth Warren, Massachusetts senator, announced a plan to legalize abortions for any reason up to birth and force taxpayers to pay for them.

Kirsten Gillibrand, New York senator, identifies herself as Catholic, but disagrees with the Church on abortion, LGBTQ issues, and all-mail priesthood.

Amy Klobuchar, Minnesota senator, would sign legislation codifying abortion rights supporting abortion up to birth.

Pete Buttigieg, mayor of South Bend, described the killing of unborn babies as "an American freedom," and does not want the government to restrict abortions in any way at any stage of development.

Cory Booker, New Jersey senator, has pledged to create a White House office exclusively dedicated to protecting so-called abortion "rights," and would have a pro-Roe v Wade litmus test for judicial nominees.

Beto O'Rourke, former Texas congressman, said a third-trimester abortion "should be a decision that the woman makes about her body."

National Pro-Life Legislation Highlights

The proposed *Born Alive Abortion Survivors Protection Act* mandates that infants that survive an abortion be given care equivalent to that provided to any other infant of the same gestation. Pro-abortion legislators in the U.S. Congress have blocked the bill from being considered 52 times – 50 in the House and twice in the Senate. Every senator who is running for president in 2020 voted to bar consideration of the bill.

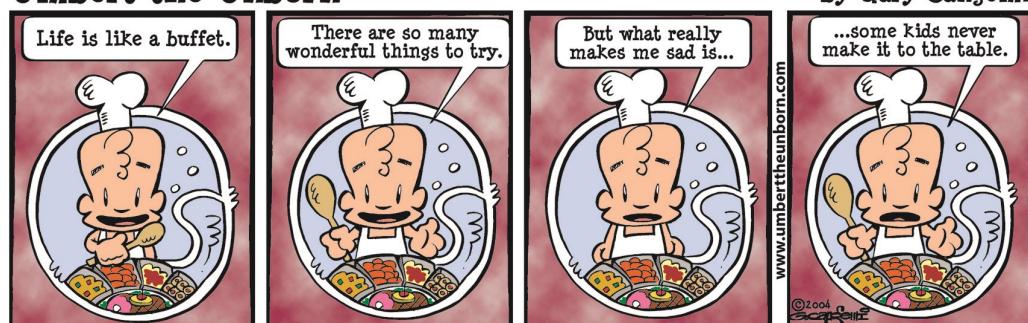

The *Women's Health Protection Act*, a bill that would make abortion on demand federal law and prohibit any state limits on abortions up to birth, was passed by the House of Representatives on May 23.

New York has the most permissive abortion law in the nation. Since January 22, abortion is allowed until birth and they can be performed by nurse practitioners, physician assistants and midwives. On May 28, the Illinois House of Representatives passed an even more radical abortion bill.

Alabama put in the most pro-life law in the nation on May 23, banning virtually all abortions and making an abortionist face a possible prison term of up to 99 years.

State Vocation Chairman's Message

Ordinations in the Archdiocese of Seattle.

This past Saturday I attended the ordinations of three new priests for the Archdiocese of Seattle at St. James Cathedral.

Fr. Benjamin Bray, Fr. Carlos Orozco and Fr. Tyler Johnson were raised to the order of priesthood by Most Reverend J. Peter Sartain, Archbishop of Seattle.

In the picture to the right, Archbishop Sartain addressed the three, soon to be ordained priests and shared his vision of the priesthood. He stated that each of them have completely different personalities, but they all reflect the image of Christ and that will make their ministry unique to them.

After the ordination Mass a reception was held for each new priest, which gave me an opportunity to present them with a gift from the Washington State Council. I also delivered a message from the Supreme Knight that: "Congratulations on your ordination to the priesthood. Our mission is to serve the church and its bishops and priests. That includes asking the knights to help out in the parish and to help out in any personal way that they might need (such as help moving). I hope one day that you will have the opportunity to serve as Chaplain to one of our Councils or Assemblies. All of the Knights of Columbus pray for you as you enter your priestly ministry. God Bless You!"

Each priest asked me to send their gratitude for all that the Knights have done to support them during their seminary years. Each one said that the Knights have a special place in their hearts. Then I was given a blessing by the new priests, each one extending that blessing to all of the Knights in the State of Washington.

If you ever have the opportunity to attend and ordination, please take advantage of this blessed event. It is the single sacrament that guarantees the continuation of Christ's church on earth.
May God Bless all of our newly ordained priests.

Vocations Chairman

A Message from the State Historian

Grand Knights,

Congratulations to those of you who are entering upon your first term as grand knight. If you are new to the job, you may be a bit overwhelmed by all the responsibilities you face. If that is the case, enlist your members to help you by delegating tasks to them.

One task that should be dealt with very soon is the writing or updating of your council history. Find a member of long standing to help you.

Very few councils chartered since 2007 have a history on file. The first written history of the state council and subordinate councils, compiled by the late PSD George Turk in 1990, included histories of councils up to Council 9721. The 2007 updated history, compiled by the late PSD Tom Weber, included the histories of a council numbered as high as 14268, thus 54 councils were added from 1990 to 2007. Since 2007 another 24 councils have been added, up to Council 17257. That makes 68 councils chartered since 1990. See below for the list of councils that are not included in the state's history. Is yours on the list? If so, you need to prepare and write up a history now and then submit it so that you will be included.

You may ask: "What's a council history?" Take a look at the state history on the web and check out what's there for other councils: <http://www.kofc-wa.org/GKCD/State%20History/WSCHistory070113.pdf>. This will give you an idea what you can submit. But it need not be anything elaborate—just a few facts about your beginnings and the key players in getting it going. You can write it up in your own style or you can simply submit the basic facts and I will write it up for you.

Plans are in the making to have a new printed history book of the Knights of Columbus in Washington, including a complete history of all councils. Don't you want your council's story included with all the others in the state? Of course you do!

The following councils have no histories in the state council collection: 9833, 11611, 15684, 15968, 16184, 16361, 16667, 16690, 17152, and 17257.

The following councils have submitted partial histories but are lacking substantial parts of what would be considered a complete history: 9721, 11085, 11271, 11252, 11945, 12175, 12483, 13761, 14046, 14689, 14852, 14922, 15143, 15338, 15462, 15721, 15730, and 16186.

Fourth degree assemblies that have no histories in the state history are: 1170, 1171, 1183, 3097, 3283, 3398, 3414, 3487, 3565, 3577, 3674, and 3708.

Also: as a council's or assembly's history continues to change, in order to have a complete history on the website, you can update yours. Send your council or assembly history to me, or if you need help, I will write it for you.
