KNIGHTS OF COLUMBUS

“THE LIGHT OF FAITH”

Message from State Deputy

My Dear Brother Knights,

Lady Sharon and I extend our Christmas Greetings and Warm Wishes for a Healthy, Happy and Successful New Year! We celebrated our 50th Wedding Anniversary with our children and grandchildren by taking them on a cruise the week before Christmas. At the conclusion of the cruise, they all went off to spend Christmas with their extended in-law families, and we stayed on the beach in Ft. Lauderdale. With this exceptionally busy time, we are still sending Christmas cards! We thank you for your blessings, prayers and kind wishes for Christmas and the New Year too.

As I pen this January message during our six mid-year Regional meetings, I am compelled to look back on the first six months to review our success. We are very close to plan, and with renewed efforts, we are set for a run to the finish line on June 30. Our return to the Circle of Honor will pay honor to our favorite son, Supreme Knight Carl A. Anderson. He does keep an eye on how we are doing, and he is very proud the Washington jurisdiction was awarded two international awards (second place in Community by Colbert Council 8872 and second place in Culture of Life by Olympia Council 1643) and First Runner Up in Family of the Year by the Schroder family of Colbert Council 8872.

As we get going this next six months, I took a look back to see who I am as an individual and as a Knight. Did I carry a positive attitude in my action, especially toward family members remembering that Charity begins at home? Was I positive in my dealings with my fellow Officers, Directors, District Deputies, Grand Knights and members? The answer was not always as positive as it could have been.

Who are my brother Knights? What best describes these Catholic men of faith doing God's work? Are they fraternal brothers loving thy neighbor as thyself and truly living as their brother's keeper? Are they feeding the hungry and clothing the naked? Are we giving all their members the opportunity to participate in programs to be these men of faith? Only you can answer those questions.

Many men need a fraternal hand extended to them, to let them know they are wanted and needed. This mid-year is a time to take stock of our activity and to make adjustments. We are all called to this vocation as Knights and to truly be our brother's keeper. Charity begins in our home council too.

Are we listening more than talking? Are we doing more than naysaying? Many of us have been going about our councils with the same activities for years without taking stock of where we are. Did your council complete the "Heath Check" requested by our Programs Director? We can't offer our help if we don't know you need it.

The mid-point in this fraternal year is a time for introspection, to take a look inside, to make adjustments for the better and to contribute to the greater good by building strong visible programs. We are all called to reach out and extend a hand to more eligible Catholic men to grow our membership "One Member per Council per Month"!

If you did not attend the Summer Leadership Meeting in July or one of the Mid-Year Regional Meetings in Spokane, Yakima, Olympia, Longview, Bremerton and Everett this month, you are not fully aware of how to develop strong visible programs to support your parish and community. Your council members deserve an opportunity to also support the Order's major programs. Your District Deputy can guide you if you give him the opportunity. Call me for help too!

As a leader, it is easier to not embrace change, change for the good, and to keep the status quo, but you owe it to your members to do all you can to leave your council in a better position than when you came to office. What will your legacy be for your council? Will you be all you can be?

As I look back on a marketing career, I can easily relive the times I felt rejection. I learned through that experience, early on in my career, to plan and anticipate the different outcomes leaving room for adjustment, like we do now at the midpoint of this fraternal year. If I had not managed appropriately with the power of positive thinking, the discouragement I felt could have turned to desperation and

Message from State Deputy

We all experience the pessimism of the status quo and failure at times to some degree, but looking beyond that feeling to one of optimism takes courage, even if we must pretend for a time. We will come to see and feel the difference when we put our most favorable construction upon our actions and council events for the best possible outcomes. Give it a chance!

As an eternal optimist, my glass is always “half-full” and I keep looking to fill it. I believe the power of thinking positively is infectious and can spread like a virus to our members; we just need to give it a chance too. A smile goes a long way as a sign of friendship and mutual respect. I believe we can all do better to act fraternally and in unity with our brothers.

So let me tell you a story before closing this message. At one time in my career, I moved to another position in the company, all the way across the country, and we were invited back for a farewell party. I had shaved off my mustache when going to the new position thinking I'd try something different, a new start. When Sharon and I returned for the party, we were greeted by more than 200 people, men and women, employees and spouses, all wearing a false mustache saying “Good morning” in unison, and it was nighttime. I was blown away and greatly touched. I still feel their warmth to this day...I regrew the moustache too.

What you don't know is that I arrived first each morning and greeted them all with a smile and a “Good Morning” as they came in the office. I then circulated about their offices for an hour or so inquiring about how they were doing and to learn how their families were doing too. My smile and greeting was positive. Our Region earned the majority of the annual awards for the entire country and in almost every category for that five year period I was there. The power of thinking positively is infectious!

We are at about 46% of Plan with 435 new members and a loss of 187 for a net of 248. We stand at 17,350 members and their families in the Washington jurisdiction. Our goal of 950 new members is easily within reach if we all pull together...including the 52 councils yet to become membership active this fraternal year. When your “Membership Drive Kit” arrives for the March Church Membership Drive, I know you will start planning to also participate this fraternal year. If you need help, call me at (509) 370-1001.

So let me close with this pledge...

“I will be an optimist with you - my brothers - working to do all that is possible in our councils, districts, jurisdiction and Order for the greater good of our Church, families, and community. As I work these remaining six months to build a strong visible programs and to grow our membership, I further pledge to open-wide my eyes to see the greatness in all my brothers. I will offer them a “Good morning” message with my smile, love and friendship. Vivat Jesus!”

God Bless you and your works of faith!

George H. Czerwonka, Jr., SD

WASHINGTON STATE CATHOLIC CONFERENCE

Dear Advocates,

Thank you for your work during 2014 to promote life, justice and peace. I pray that you and your loved ones have a blessed and joy-filled Christmas.

May we always look to Jesus who is the Cornerstone to lead us into truth, love and service to others.

Sincerely,

Sr. Sharon Park, Executive Director Washington State Catholic Conference

Moonless Darkness Stands Between

Moonless darkness stands between.

Past, the Past, no more be seen!

But the Bethlehem-star may lead me

To the sight of Him Who freed me

From the self that I have been.

Make me pure, Lord: Thou art holy;

Make me meek, Lord: Thou wert lowly;

Now beginning, and always: Now begin, on Christmas day.

Perfect Book for a gift

Dear Brother Knight,
 With Christmas just around the corner, the Knights of Columbus is pleased to recommend a book that you may enjoy reading yourself or wish to give as a gift. *Joy to the World: How Christ's Coming Changed Everything (and Still Does)* by Scott Hahn offers profound insights into the Christmas story and its importance in our lives today, and ordering it now offers the chance for a wonderful read throughout the 12 days of Christmas.

Supreme Chaplain Archbishop William Lori of Baltimore has endorsed the book, writing: "I greatly enjoyed reading Scott Hahn's *Joy to the World*. In a spirit of joyful discipleship and with his command of Scripture, he leads us step by step into the heart of God's plan for the World's salvation and thus into the heart of the New Evangelization. What a wonderful resource for those seeking to deepen their discipleship and those seeking truth and love in their lives."

It can be purchased in bookstores or at online retailers including Amazon, Alibris, and Barnes and Noble by clicking here. <http://www.randomhouse.com/book/237954/joy-to-the-world-by-scott-hahn>

Wheelchairs available

Has your council ordered any wheelchairs recently? We currently have 30 available immediately and are ordering another container with 110 chairs.

These are a good quality chair and they are reasonably priced at \$150 each. Consider holding a special breakfast with the proceeds going to the purchase of chairs and promote it in your church bulletin. You will be amazed at your success.

Place your order soon!

Pain Capable Unborn Child Protection Act

The U.S. House of Representatives will soon vote on H.R. 36, the Pain-Capable Unborn Child Protection Act. This important measure will ban abortions on unborn children aged 20 weeks post-fertilization or older, based upon substantial medical evidence finding that these unborn children can experience pain. With H.R. 36, Congress will exercise its authority to protect these unborn children from abortion, and the horrible pain that it causes.

However, while a vote has been scheduled, successful passage of H.R. 36 is not assured. H.R. 36 needs your personal support. Please contact your elected congressional representatives today. Ask them to support H.R. 36 with their vote. Be sure to also contact your Senators and ask them to introduce and cosponsor the Pain-Capable Unborn Child Protection Act in the U.S. Senate. If you will be in Washington for the upcoming March for Life, be sure to also personally visit your representatives in Congress and urge them to support this bill. Encourage your family and friends to do the same.

At the 131st Supreme Convention in San Antonio, we resolved to "speak out to our elected representatives about the need to enact legislation...to protect human life." With the upcoming vote on H.R. 36, it is more important than ever that Congress hears your voice.

Thank you for all you do to promote a Culture of Life.

Rev. Steve Dublinski Becomes State Chaplain of Knights of Columbus

STATE CHAPLAIN
VERY REVEREND
Steve Dublinski

State Deputy George Czerwonka announced today that Father Steve Dublinski, Pastor of St. Augustine Parish, Spokane, and was appointed State Chaplain of the Washington State Council by Diocesan Administrator Father Michael Savelesky. Father Dublinski previously served the Washington State Council as Vice Chaplain since July 2013. The Washington State Council includes more than 17,350 Catholic Knights and their families in 158 parishes and communities across Washington State.

Father Dublinski was ordained to the priesthood on June 29, 1985, after studies at Bishop White Seminary and the Pontifical North American College, Rome. He was born in Chicago and grew up in Walla Walla, where he graduated from St. Patrick School and DeSales High School before spending one year at Walla Walla Community College. He then entered the priestly formation program at Bishop White Seminary.

He served as associate pastor of two parishes – St. John Vianney, Spokane Valley, and St. Charles, Spokane – before being named pastoral administrator of St. Charles Parish in October 1990. He was named pastor the following month. Seven years later, Father Dublinski became pastor of St. Mary Parish, Spokane Valley, and in 2002, was named by Bishop Skylstad as Vicar General and Moderator of the Curia of the diocese.

In 2003, Father Dublinski began a two-year assignment as pastor of the parishes in Oakesdale, Rosalia, St. John, and Tekoa; and, two years later, in July 2005, he became Rector of the Cathedral of Our Lady of Lourdes in downtown Spokane.

He also served on the diocese's Liturgy Commission for many years, and has completed a master's degree in liturgy from the University of Notre Dame. He was appointed Rector of Bishop White Seminary before becoming pastor of St. Augustine.

State Deputy Czerwonka worked closely with Father Dublinski at Bishop White Seminary to reduce the construction debt still outstanding. The Washington State Council provided grants of \$25,000 each of the past four years from their Pennies for Heaven Fund which brings the total contribution to \$100,000 this year. The local councils have made substantial contributions to reduce the debt over the past six years too.
(Father Savelesky is the elected administrator of the Catholic Diocese of Spokane.)

Message from Membership Director

My Bothers in Christ,

We are at the midpoint of the fraternal year and we continue to be encouraged by the positive growth we have seen in your membership recruitment during the past few months. At mid-year we are 42% of annual intake goal of 950 new members and we have a number of councils that are having great success in reaching out and recruiting new prospects in their parishes. Keep encouraging those councils in your district who have yet to recruit one member this year. We still have 52 councils in this situation who need a lending hand and support. We encourage all councils to continue your momentum from this fall's church drives and keep growing your membership in the next few months. Now is the time to be thinking of and planning for a spring Church

Membership Drive using guidelines provided at: http://www.kofc.org/un/en/membership/drive/church_drive.html

As you plan for your drive, consider recruitment of former members, inactive members, and out of state members living in your areas. I just sent out current listings of members in these categories to all DDMs and DDs that hopefully will be passed along to all GKs in the next week. Please work with your field agents and examine these listings for potential new members to your councils.

Here are some other items to think about for membership recruitment in the coming months:

The “Council Challenge” - If your council recruits 12 new or former members and reports the results on the special [form](#), your council receives VIP points to be used at the council's discretion. The points can be used to purchase merchandise for the Knights of Columbus gift catalog. Remember there are two steps: first, recruit the new members and second, complete the form. Guidelines are as follows:

If you reached 12 new members by September 30, 2014, you can receive 60,000 V.I.P. Points.

If you reached 12 new members by December 30, 2014, you can receive 40,000 V.I.P. Points.

If you reached 12 new members by June 30, 2015, you can receive 20,000 V.I.P. Points.

For more information on this incentive, go to: <http://www.kofc.org/un/en/officers/index.html>

Round Table Renewals: To also help you achieve your membership goals for this year, we continue to challenge all District Deputies to work with your Grand Knights to identify and establish one or more round tables within your districts within the next two months. Round tables are an untapped resource for new members that you should be taking advantage of. Round tables are an easy and effective way for our Order to better serve individual parishes, priests, and to be the visible force for good in their communities. We are currently at 15 new round tables as on the end of December 2014 which is well short of our State goal of 45 round tables. Establish one today by filing form “2629” (*Notice of Appointment of Round Table Coordinator*) with you, Grand Knight as coordinator online at: <http://www.kofc.org/un/en/officers/forms/council.html>. The Grand Knight is best suited to meet with the pastor periodically to determine his needs.

For more information on guidelines for establishing round tables, go to: <http://www.kofc.org/un/en/membership/ncd/guideline.html>

Extra Points for your Quest to Star District (January 1, 2015 - March 31, 2015): Under this incentive program, Worthy DDs:

Can receive 7,500 VIP points if you conduct three First Degrees in your district. For every degree over the initial three, you will receive 2,500 VIP points. You must submit form 450 no later than April 10, 2015 to receive credit.

Can also receive a bonus of 5,000 VIP points if you conduct at least one First Degree in your district in each of the months of January, February and March, 2015. You must submit form 450 no later than April 10, 2015 to receive credit.

For more information on this DD incentive and others, go to: <http://www.kofc.org/un/en/officers/index.html>

As always, be prayerful in all you do and at every gathering with your Brothers offer special prayers for all members of your council both active and inactive, for new potential prospects, and for the success of your council in accomplishing its goals for the coming year

Wishing you and your families the best for the coming New Year.
Marcel

Message from Program Director

We have now completed the first six months of our Council Year. Hopefully, each Council has completed many great Visible Programs in support of our Church, Community, Youth, Families, and the Culture of Life. After a busy Christmas season it is now time for you as Grand Knight along with your fellow Officers & Directors to refocus your efforts on continuing to strengthen your Council.

In January, as we commemorate the 42nd Anniversary of the United States Supreme Court Decision of Roe vs. Wade on Abortion, it's a great time to meet with your Pastor and seek permission to lead your Parish in the Prayer for Life during each of the Masses on the weekend of January 24th & 25th. Suggest that he call all Knights present at a given Mass to come down to the Altar before the Intercessions and upon completion he will join you as you kneel and then lead the Parish in the Prayer for Life. The Culture of Life is an important way of Life for every Catholic; and, together, we should be ever mindful of its importance in displaying our Catholic values.

January and February are great times to be making presentations for some of the efforts your Council has accomplished during the first half of the Council Year such as Food for Families Reimbursement Checks from Supreme as well as Tootsie Roll checks. Remember to seek your Pastors permission to present them at Mass. This will go a long way to heighten your visibility among your Parishioners. As such, there is no better time to do a Church Drive to gain new members when your fellow Parishioners get to see firsthand the benefits of their Knights of Columbus Council. **This is what a Strong Visible Program is all about.**

During the next six months your District Deputy will be conducting two District Meetings. The Agenda's for these meetings have many items which will help make it easier for you to deliver the best Program possible to your Council. Please make every effort to attend and bring your Membership and Program Directors. Some of the items that will be discussed are; a few of the Eight Featured Programs from Supreme to work in the next few months, Preparation for Star Award Reporting, Preparation of the Grand Knight Report due to your District Deputies by April 1st, Preparation of the State Program Award Form, Membership Ideas, and Procedures for Election of Officers for the next Council year.

In closing, I would ask each of you to recommit yourselves to principles that our Founder Father Michael J. McGivney founded our organization on which will help us all to build stronger Councils in Washington State.

Vivat Jesus!

Council Admissions Committees Charter, Constitution, and Laws – 2013

My Brothers,

Much discussion has arisen recently regarding the proper use of Admission Committees, their purpose, proper actions to be taken by (and in the absence or failure of), each such committee. As well as the discharge of said committee by the Grand Knight.

Please refer to Section 108 on page 46 of the 2013 version of the Supreme Laws mention above and read it carefully.

While it does prescribe the appointment of seven (7) members, many councils for practical reasons are often left with far fewer members to staff such a committee, this does not constitute a breach of the Laws as there is no mention of what happens with less than 7.

This is a minor point but there is a statement that says that if five (5) member of said committee were to file a written report with the Grand Knight, **"withholding endorsement because the applicant is NOT a practical Catholic, said applicant shall be deemed rejected."**

Gentlemen, please understand that over 100 years ago these words were put into the Laws due to the nature of the times and the social construct that existed then. Please be warned that these are dangerous words, indeed. Taken out of context and utilized to scrutinize an individual's personal life to such a level as to demean an individual's faith or otherwise create a negative view of one's Catholicity is unwarranted and un-called for.

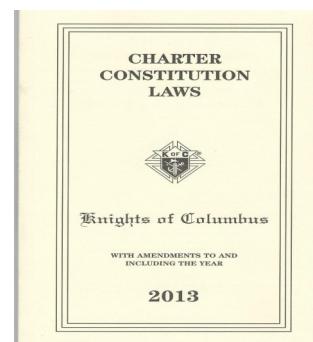

So, while this language will remain in the Laws for other such reasons, the most reasonable advice I can offer on this subject is that which I received many years ago... questions regarding an individual's Catholicity should be referred to your Pastor and not pursued on a personal basis. Neither should any such information that may come to the surface through any means be spread around about any applicant.

Individual guidance on specific cases, after speaking to your Pastor on a specific matter, need to be referred to my office.

Thank you for your patience...as always

Fraternally,

Pat Kelley, Advocate
Washington State council

State Treasurer Message and Forms

Greetings Brothers,

Here is the latest update on Forms submissions.

The Wizard of Washington presents: Q & A

The Wizard of Washington presents: Questions and Answers

Question: Worthy Wizard, I'm half way through my first year as Grand Knight and things are really piling up? Got any helpful hints on how to get everything done?

Answer: Great question and welcome to the wonderful world of leadership. Here are some quick steps that you can take to manage your time effectively:

- Always work from a daily "To Do List". This is the best and quickest way to organize yourself.
- Organize your daily list by priority: Rank each task starting with what absolutely must get done and move down to what you would **like** to get done.
- Don't leave e-mails sitting in your In-Box.
- Don't multitask. Focus on one task at a time in order of priority.
- Know when you work best. Try to figure out at what point of the day you are at your best and schedule your most important work for that time.
- Make it easy to get started. Finishing projects is easy, getting them started is hard. Break projects down into portions that are not overwhelming and can be accomplished on a schedule that you can keep. Then get going on them.
- Dare to be slow. Sometimes a slow response time is more effective in managing your time. If you are working on your top priority, don't take the time to immediately answer incoming e-mail or phone calls. Finish the priority task and then move on.

Hope these thoughts help!

God Bless! The Wizard!

P.S. If you have a question for the Wizard of Washington, submit it to the State Treasurer at StateTreasurer@kofc-wa.org

Clinic Closure

Two More Abortion Clinics Close, Continuing the National Trend

January 22, 2015

"When abortion clinics close, lives are saved!" —Troy Newman, President, Operation Rescue

Washington, DC — As pro-life supporters from around the nation gather in Washington, D.C. today to mark the 42nd memorial of the 1973 Roe v. Wade Supreme Court decision that decriminalized abortion in the U.S., Operation Rescue announces that two more abortion facilities have permanently closed.

"Today, as pro-lifers, we should be encouraged that our efforts have not been in vain. Abortion clinics are closing in record numbers due to their tireless work of men, women, and young people all across this nation," said Operation Rescue President Troy Newman. "America is beginning to reject abortion, and that is evidenced in closed clinics and historically low abortion numbers. When abortion clinics close, lives are saved!"

Two Planned Parenthood medication abortion facilities have closed in Issaquah, WA (above) and Brewster, NY (below).

'AMEN' TO CHURCH SUPPERS

"Great Family Activities from Yesterday"

When I was growing up, church suppers were a social highlight. Oftentimes, the evening began with a speaker. Then our priest would stand up and say grace over the meal we were about to ravage. He finished with an "Amen," which was like a starter's pistol shot to start a race. The rush to form a line at the serving tables soon followed.

We were free to put anything we wanted on our plates, but it was always a good idea to take from some from the dishes that Mom and Grandma brought, they watched for that. This was one of the first places I ever ate at a table with a tablecloth. There were also paper napkins that we were expected to use even if we had perfectly good sleeves. Then there was the quiet march back to the food line for "seconds," no one cared, in fact it was expected... There always seemed to be plenty of food, the Ladies Aid always made sure of that. The meal closed with an abundance of great deserts.

When supper was over and everyone was fed, the Ladies Aid group moved in like a well oiled machine and cleared the tables, filled the garbage cans, washed the dishes and pointed at the young men to carry out and empty garbage cans, "be quick about it and don't drop anything."

After the ladies had everything in its place a few chairs were put out for the adults, the kids were always positioned in the front rows. They sat cross-legged on the floor well within the sight of their parents; so good behavior was the order of the moment. Sometimes there was a slide show, a speaker of some sort or a musical performance by some local kid with his or her mother or grandma hammering out a tune on the well worn keys of the old piano sitting in the corner of the church basement. I remember one kid who was terrible and his mother was even worse than he was. At the end of their 10-minute session they stood in front of everyone and accepted the applause of everyone. We all knew that we had to clap because it was the Christian thing to do.

Well we had a great idea hatched by a few of us in the front row, "play it again" we kids chanted, we clapped and said "play it again"! The mother who had been abusing the piano beamed, smiled and bowed to the crowd, reached down and pulled her "talented" kid back to the center of the stage. They started all over again, the parents good Christians all were "not happy," they knew exactly what we were doing. None of the kids looked back at the adults, then a funny thing happened we all locked arms and swayed side to side with the music, we were one and we felt a power in what we were doing – we were one! By the way the second time around was even worse and longer than the first time and everyone knew it, except for the mother at the keyboard, she just knew they were "the bees knees!" The kids had united and caused something to occur, after tonight we were closer and we understood the power of teamwork, we were one, it felt good!

On the way home in the car my brothers and sister were half asleep and Mom and Dad never said a word, as we were pulling in the driveway I was smart enough to say, "Mom your hot dish was the best one there." Don't you agree Dad? My old man smiled and reached over and touched mom's shoulder, "You bet it was."

When we got home Mom would lead the kids in the house and herd them to bed. Dad said "Steve, lets go check on the cows in the barn." Once inside the barn as we were checking out the calves the old man said, "I think you and I should try our hand at a song or two at the next church supper." I turned and stared at him, he was looking me straight in the eye, he looked dead serious.

I said the only thing I could say "That's a great idea Dad... maybe Mom would play the piano." Silence...we just stood there eye to eye, I knew I couldn't flinch, then he started to grin, we both started laughing. Soon we were out of control, there were tears running down my face because I was laughing so hard. We fell in the straw and laughed till our sides ached. It was one of those great laughs, one of those memorable moments of my life.

\$96,377.99

Brothers all,

Councils are steadily reporting numbers. We have 8 more councils left to report and I know one will be a big one. So far our total is \$96,399.77. We will exceed last year's total of \$105,000, but will not go over our high of two years ago at \$128,800. If all the councils that have participated in the past would have joined in this year, assuming they would have raised the same amount, we would be well over \$150,000 with 85 councils participating.

Why do councils not participate that have in the past? The biggest reason is change of leadership followed by not securing, or the loss of a location or two.

Gentlemen, have you sent in a request to Fred Meyer? Maybe you do not have a Fred Meyer in the neighborhood, if you don't, I can understand. If you have one, there is no reason not to submit an application. It takes about 2 minutes.

Reason number three, we just do not have the man power. Have you researched schools that need service hours, other organizations to help, garner help from potential benefactors (if they want funds, they must help), and above all, get Special Olympians involved. They will be benefactors regardless and we have contacts and support nationwide. Again, there is no reason not to tap into this support.

If all else fails, you can cancel a location. It is much easier to cancel a location than secure it. Fred Meyer is making their schedule for 2015 as we speak, so get it done and worry about coverage later. I can help with Special Olympics, let me know.

You will, once again, need to send me a Council Chairman form for 2015 so I can update my contact list and communicate with you at various times. I won't pester you, I promise.

Walmart is now accepting applications for donation requests through the Walmart Foundation. I have been successful 3 years out of 4 in procuring a donation, so it is worth your time.

Have a Blessed new year and I look forward to our next Tootsie Roll Drive. I enjoyed seeing you at the Regional Meetings.

Vivat Jesus!!

Dear Brother in Christ, Glory to God in the Highest and Peace to all men on this earth,

The last day of the Posadas (asking for lodging) may have been last night or this evening, depending on parish facilities usage. Posadas are held for nine days before Christmas representing Mary's pregnancy. Music, Rosary, novena are part of the event with children, in costumes, in most cases having part in the re-enactment. Last night's event at St John the Evangelist was to a packed standing room only crowd.

My note is to wish you and your families a Merry Christmas, and also suggesting that next year become involved. Wherever a Spanish mass is celebrated, a Posada is found. Perhaps one could purchase a Santa suit, reward outweigh the cost by a million to one. At the end of it all, Santa appears, Santa is known in any language with children and adults wanting a picture sitting on Santa's lap. This Santa's suit could also be used to visit old folk's homes, or a nearby Hospital, or a prison. Santa comes with lots of laugh, and a warm feeling, that is seen on an aged person confined to bed, only a candy canes can brings a smile to this aching body. To see such a smile is a treasure Santa remembers.

Tonight the child Jesus is laid in a manger, then January the event of the three kings. There is involvement all around us, let us get out of the box we've been in for years, look at this culture that brings so many beauties and enjoy fellowship.

On selected Sunday's, introduce yourself as Caballeros de Colon handing out materials as you open door for mass arrivals, always with pastor's permission. Be visible from time to time wearing your badges or vests at Spanish mass. We can all learn from strong family ties and devotion to Christ through his Mother, our Lady of Guadalupe, two beauties this Culture bring to this land.

The reality of this culture can be seen in each parish. Spanish mass fills with faithful, like at St Philomena, Holy Family, Lady of Guadalupe, or St Joseph, St John, or small communities like Mabton and Granger and many, many more parishes throughout the state where there is standing room only. Bishop Elizondo tells me there are not enough bi-lingual priest to go around, this is where you Caballeros come in. Through your involvement, being example of Christ like disciples, Hispanic young men or young ladies someday will be the future priest and nuns of our parishes. This is on God's agenda, be part of it.

As the New Year enters, please remember that am as close as your phone for assistance, be a pro-active in making star or double star councils in your district through formation of a Spanish speaking Mesa Redonda de Familias that works under pastor's guidance and in partnership with local council.

You are the leadership that can bring many families closer to Christ blessings and under the banner of the Caballeros de Colon fraternal order.

Legislative Liaison

Dear Brother Knights:

Happy New Year to all of you!

And with the New Year comes another session of the state legislature. This year the session began on January 12th and will run for 105 days with this being a budget year.

There was a little turnover in the legislature after the elections in November, so be sure to check your district on-line at [DistrictFinder](#) before you contact your legislators. Remember to get to know your senators and representatives as they ask for and need your input. They are there to serve us!

The most important issues to watch out for this session include:

- Supporting Parental Notification of Abortion
- Defeating the Abortion Insurance Mandate
- Defeating Chemical Abortions via Telemedicine

Your attending the March for Life in Olympia on January 20th was a great time to visit our legislators. The weather was great too once the overcast burned off. You all dressed warm and carried a single red rose to give to your legislator. Many of them addressed us requesting that we keep faith in their working to end abortion.

On November 3, 1970, Washington voters approved Referendum 20, which legalized abortion in the early months of pregnancy. In November, 1991, before Roe v Wade, RCW 9.02.110 - Right to have and provide - became the law of Washington State. "The state may not deny or interfere with a woman's right to choose to have an abortion prior to viability of the fetus, or to protect her life or health. A physician may terminate and a health care provider may assist a physician in terminating a pregnancy as permitted by this section."

"Viability means the point in the pregnancy when, in the judgment of the physician on the particular facts of the case before such physician, there is a reasonable likelihood of the fetus's sustained survival outside the uterus without the application of extraordinary medical measures." Simply put there is no timeline in the development of the child when an abortion can't be allowed.

If Roe v. Wade was overturned, the law of Washington State would not change! It truly is up to us, you and me to change this law! Please call your legislators and let them know where you stand on these issues. It is wrong that your school nurse can't give your daughter an aspirin, but she can be taken for an abortion without your knowledge! Please also support Parental Notification.

Regards to all,

Stephen Czerwonka, Legislative Liaison

FS Tips and Tricks

Brother Financial Secretaries,

Despite some weather issues, ice and rain, 60 plus of you managed to join us for the winter Regional Training and we appreciate your efforts to learn more of your responsibilities and some more efficient ways to do things.

I want to start off by thanking FS Chuck Voelker of Spokane Council 8137 and Former FS Mike Prichard of Tacoma Council 809 for joining us as trainers for these regionals. This was Chuck's first time, Mike's second and we appreciate their diligent efforts. We believe you will see more of them in future sessions.

We covered issues in more detail, with discussions on retention, clarification of who is really on the retention team and what their responsibilities are. Handouts were given that will help you guide the retention team to effect contact with members to become more active, to bring dues current and in determining these silent knights needs and issues. With a strong focus on fraternalism and helping our brothers, we remind you that members should not be billed for more than one year's dues.

We will put these handouts in all the FSs possession by email soon as we have to overcome a technical issue.

Because the FS has the responsibility of keeping current info on all items relating to the roster, such as location of and contact data on all members, we discussed the availability of assistance through State Council to all the FSs to search for missing members, dealing with bad addresses, how to avoid same and the new method to notify Supreme of missing members

We discussed procedures for reporting deaths of members, a tour of the state website and your need to update the directory, your continued need to inform your members of the link to the state bulletin, to advise them on how to get the notification directly and finally, updates to Member Management and Billing tools.

Remember, none of the members who have joined the Knights of Columbus in the past 3 years are included in the direct notification by email of the monthly bulletins. If they want to be on the list, they need to email bulletin@kofc-wa.org with their name, council and member number and their email address in order to be put in the collective list.

Next week, we will begin providing search assistance to the councils on members with whom we have lost contact, received returned mail, etc. Many of you have been sent details on searches for over 340 members with addresses considered to be 'bad'. Many of you did not realize that the phone numbers provided may be dated, out of the area and may belong to family members that you should call to attempt to reestablish contact.

Watch your email for details on how to receive this assistance. If you don't have it by Jan 29th, contact me at the address below to confirm your email addresses.

Fraternally,
Ed Broadhurst

Letter to the Editor from the Other Editor

Worthy Second Edition Bulletin Editor,

How can I get on the good guy list so I get an email notice that your wonderful bulletin is ready for me to read and digest?

*Fraternally,
Confused in Middle Washington (not to be confused with Middle Earth)*

Dear Confused,

I was a bit foggy on this myself so I went to the Wizard, but was still was confused. Then I went to the State Bulletin Editor and asked your question. The answer was quite long, somewhat profane and I have reduced it to the following:

Go to your Financial Secretary and ask him to email you the link that he gets every month announcing that the bulletin (s) have been published.

Go to www.kofc-wa.org sometime each month and click on ‘current state bulletin’ or ‘current second edition’ periodically until you see this month’s version, or

Send an email with your email address, name, council number and your a photo of your favorite Saint to bulletin@kofc-wa.org asking to be put on the good guy list.

Remember, if your FS is not forwarding the link to you monthly, you, like all the new members joining in the past two years, are not on the ‘good guy list’.

An informed knight is an active knight!

Brothers,

We are entering a new year and we will have the opportunity to celebrate the 115th anniversary of the Fourth Degree on February 21st in Covington. If you have candidates for the 4th degree exemplification, this is the one you want attend.

Information and registration forms will be sent to all the navigators and comptrollers and grand nights in western Washington.

We've had great success with assemblies turning out in order to help the councils recruit new members. We've also had a number of honor guards for the Archbishop. I would like to thank all of the knights in western Washington for supporting our priests and bishops. I have included a picture of an honor guard that we did recently. We can all take pride in seeing the different assemblies coming together to support each other. We truly have a feeling of brotherhood in action and I could not be happier than to be a part of all the different activities that the Sir Knights and assemblies are involved in.

STATE DEPUTY _____

Annual Fraternal Activity Survey

To All Members, each year the collective of all the members of WA State Council performs thousands of man hours of volunteer effort. At the end of the year, we are required to report our efforts and you may and do ask, "WHY". The short answer is that in order to justify our organization's status as a 501 (c)(8) fraternal benefit society and retain those benefits, we must demonstrate our productiveness. Your help is needed and expected. Your FS must compile this information and report to Supreme before Jan 31, 2015. It must be in their hands by that time, so help him meet this requirement by responding RIGHT NOW.
